## Makkah Halal Forum – Third Edition

In line with the strategic directions of the Kingdom of Saudi Arabia and its commitment to supporting economic diversification and growth in alignment with Saudi Vision 2030, and to reinforce its position as a global hub for the Islamic economy, the third edition of the Makkah Halal Forum is launched under the theme: "Halal: A Professional Industry. "From Makkah Al-Mukarramah — the center of the Islamic world — the forum offers a high-level international platform that redefines the future of the Halal industry, strengthens its standards, and elevates its ecosystem to higher levels of quality and trust both locally and globally. The forum, in its third edition, brings together an elite group of government leaders, business delegations from the Islamic business community, international and local companies, accreditation bodies, entrepreneurs, experts, and specialists. In addition, MHF is a strategic platform that supports high-value partnerships opening new horizons for innovation and commercial expansion, and enhancing investment opportunities in one of the fastest-growing sectors worldwide.

## Connection

Between local, regional, and international expertise by providing a platform for all countries and companies to support professional excellence in the Halal economy.

## Involvement

The entrepreneurial community of researchers, business leaders, and innovators working to elevate the Halal industry.

## Development

A global strategic platform that brings together stakeholders at both the international and local levels to contribute to the development of partnerships and agreements within the Halal sector ecosystem.

## Enhancement

Trade and investment exchange between Saudi companies and international companies interested in importing and exporting among themselves.

## Highlighting

On projects, business models, and impactful commercial and technological opportunities worldwide to develop global Halal markets.

# Global Forum for Halal Industry Leaders and Experts

At the 3rd edition of the Makkah Halal Forum, we recognize the concept of Halal as a fundamental benchmark of professionalism, serving as a steadfast standard that embodies correct values and practices across all aspects of economic and social life. Halal also represents an integrated framework that contributes to shaping governance and efficiency, supporting the development of strong economic capacities.

We believe that achieving tangible results require establishing a well-managed and robust infrastructure. Through this forum, we explore how to build effective strategies that enhance good governance and ensure transparency and integrity in all operations.

The forum also emphasizes the development of human skills and capabilities necessary to support the Halal economy, alongside the role of innovation in creating a more professional and sustainable Halal ecosystem. Participants are offered a unique opportunity to engage with influential leaders, exchange knowledge and expertise, and operate within an environment that fosters strategic thinking and informed decision-making for the future.
